

Dear Middleneck Development Company,

We can not begin to thank you for all you have done for us and continue to do for us as our house is being constructed. Our first experience with buying a new house was horrible and more stressful than it needed to be. From the very beginning at Cricklewood, Dave made us fell welcomed and continues to be very patient, helpful and supportive as do Lex and John. We are very detail oriented and very involved with our house for numerous reasons but it is not for lack of trust in any of you or your abilities. We are very confident we have made an excellent choice and know we will be pleased with the outcome. We know all of you have gone the extra mile for us which only affirms our complete happiness with choosing Cricklewood as our home. We are truly thankful for all your efforts. We know your commitment to helping people build the home of their dreams will make Cricklewood a great success.

Sincerely,

*Erin + Todd Sowden*
